## Free Medical Journals

Over the next few years, many important medical journals will be available online, free and in full-text. The access to free scientific knowledge will have a major impact on medical practice and attract Internet visitors to these journals. Journals that restrict access to their Web sites will lose popularity.

If you wish to be informed about new free journals, you may subscribe to our [Journal Alert](#). If you learn of a medical journal that offers free full-text access and is not listed on this site, [please let us know](#).

The Free Medical Journals Site is dedicated to the promotion of free access to medical journals over the Internet.
